Hi Mark,

Following up on our telephone conversation this afternoon, Pima County Department of Environmental Quality (PDEQ) have recently responded to two information requests from Tucson Iron and Metal (TIM). PDEQ was informed that the information was to be used to fulfil the EPA records request letter dated December 11, 2020.

Attached is the correspondence of the two information requests. All future requests for information from the source will be funneled through our formal information request procedure and we shall cc you on our reply to the source.

Please let me know if you have any questions.

Thank you
